

Dear Friends and Partners,

What innovations are awaiting you in 2014?
What innovative solutions will distinguish themselves from others in residential and commercial buildings?
By browsing through the new catalogue you will find the answers to these questions. Working in close partnership with installers and distributions means that we have been able to develop a whole new range of promising innovations which are not only innovative, but also for practical day to day use. This catalogue shows you the best of these innovations.

In the following pages, you will also find a number of reliable and user - friendly Hager products which have proven successful over and over again. As a supplier of global solutions, we offer professionals everything they need related to energy distribution, cable management, trunking, home automation systems and security. Providing such a complete range of solutions and services from one unique partner is extremely beneficial for both fitters and prescribers. Electrical installations are not only becoming simpler and faster but also more reliable, efficient and functional.

Being constantly attentive to our customers' needs means that we are able to fully satisfy their requirements and develop market boosting innovative solutions that allow us to remain the market leader of today and tomorrow.

More than ever, it is essential to have the right partner.

Yours sincerely,

Daniel Hager
CEO Hager Group

The partner for smart solutions you can trust

Hager is a full-range supplier of electrical installation systems for building, residential and commercial properties. For decades, Hager has been synonymous with an extensive and complete offering. Highest quality, cutting-edge products, modularity, ease of installation, ease of use, excellent service and sophisticated design are the features that distinguish Hager.

Hager: a brand meeting your expectations

As a specialist in

- power distribution,
- cable management and room connection systems,
- switch programmes and smart building automation as well as safety technology such as alarm systems, smoke detectors and motion detectors.

Hager the supplier for professionals – is a synonym for top quality and innovative technology, as well as good customer relations and reliability. All of which make Hager the partner for smart solutions, you can trust.

New ideas for the customers' benefit

Innovations and the systematic enhancement of the products and systems are key features of the Hager brand. It has always been our goal to use new designs and improvements to stay ahead of developments.

The use of innovations and new technologies at Hager is always customer-driven. Every year, Hager evaluates thousands of customer contacts, result-ing in detailed knowledge of its customers' needs in order to work efficiently and successfully. Based on this knowledge, Hager develops the innovative solutions that are so characteristic for the Hager brand. Ease of installation, ease of use, intuitive user interfaces, modularity and durability are brand values that guarantee highest quality throughout in Hager systems.

80 per cent of Hager products and systems are younger than five years. This high degree of innovation enables the users to meet various new challenges effectively. The strong demand for innovations and enhancements is a good indicator for the customer-oriented policy of the Hager brand also resulting in a high turnover at wholesalers.

A flourishing group

Hager belongs to the Hager Group, which is a family owned business with a more than fifty-year tradition. As a global player, the company has about 11,400 employees and a turnover of more than 1.6 billion Euro in 2012. Today, the Hager Group offers more than 74.000 items.

Touch of style

The large flat rocker switch, with its slim front plate and clean style, is designed for contemporary residential and commercial environments. The BS socket is available in switched and unswitched versions, in single and double pole, and with or without indicator. The data outlet range will allow an easy and quick connection to the networks, such as web, phone, TV...

The advantages for you:

- Terminals are easy to identify, access and tighten.
- Installation time is reduced.

Technical data:

- Product ranges have been independently tested and certified.
- Faceplates are made from high grade PC ensuring excellent scratch, impact and UV resistance
- All sockets are provided with safety shutters, giving protection against accidental contact with live parts and ensuring safety for your children.

Expert tips

1

Terminals

The terminals all face in the same direction for ease of installation and are clearly identified.

2

Terminal screws

Terminal screws are supplied backed out to save installation time and are captive so they won't be lost.

3

Lead in

Moulded lead-ins help to guide the driver blade to the screw head.

4

Capacity increase

Increased wiring capacity of the new 13A socket terminals permits the use of today's larger cables and reduces installation time.

5

Safety shutter

Shutter design gives protection against access to live parts and protects the safety of your children.

6

Dust proof

Protection sticker on sockets which prevents dust pollution during the installation.

7

Switches

Single pole switches are simplified to 2 parts - rocker and plate which makes installation easier and quicker.

8

High safety

All switches are equipped with a no welding design which ensures a compulsory break when contact welding occurs. 10AX switches do not require derating for fluorescent loads.

- Complies with BS EN 60669-1 IEC 60669-1 CB certificate
- 'AX' rated - No need to derate for fluorescent loads
- Supplied with M3.5 x 25 mm long fixing screws
- Capacity of each terminal:
3 x 1.5 mm²
2 X 2.5 mm²
- Two way switches can be wired either 1 way or 2 way
- Terminal markings denote:
L1 = one way
L2 = two way
C = common
- Material: Polycarbonate

stylea 5A socket outlets

- Complies with BS 546 SS 472

- Supplied with M3.5 x 25 mm long fixing screws

- Capacity of each terminal:
L, N: 3 X 2.5 mm²
E: 4 X 1.5 mm²

- Integral rocker design of switched sockets provides clear red 'on' indication

- Material: Polycarbonate

		Description	Pack qty.	Cat. Ref.
		Socket outlet 5A round pin unswitched	10	WXES105
		5A round pin switched	10	WXES105S
WXES105	WXES105S			

stylea 10A socket outlet

- Complies with IEC 60884-2-3

- Supplied with M3.5 x 25 mm long fixing screws

- Integral rocker design of switched sockets provides clear red 'on' indication

- Material: Polycarbonate

- Capacity of each terminal:
L, N: 2 X 4.0 mm²
E: 3 X 2.5 mm²

		Description	Pack qty.	Cat. Ref.
		Socket outlets 10A 2 pin unswitched universal	10	WXES10U
		10A 2 pin switched universal	10	WXES10US
		10A 2 pin unswitched twin universal	10	WXES10U2
WXES10U	WXES10US			
WXES10U2				

stylea 13A socket outlets

- Complies with BS 1363-2 SS 145-2
- All terminal screws are facing upward for ease of installation
- Supplied with M3.5 x 25 mm long fixing screws
- Capacity of each terminal:
L, N: 2 x 4.0 mm²
E: 3 x 2.5 mm²
- Integral rocker design of switched sockets provides clear red 'on' indication
- Tough plastic back for durability
- Material: Polycarbonate
